STATEMENT OF JAMES KENWORTHY

RECEIVED

AUG 19 2002

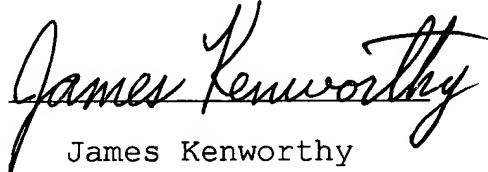

I, James Kenworthy, state as follows:

Technology Center 2600

1. I am employed by Philips in the Intellectual Property and Standard department.
2. I was requested and have attempted to locate Mr. Richard Morisson.
3. In this regard, I have performed numerous Internet and Directory related searches in an attempt to locate Mr. Morisson.
4. For example, I have conducted a search on WhitePages.com and a French directory Internet service. I have also checked the local telephone directory of Caen (the city of the last known address of Mr. Morisson).
5. No "hits" were located using the French service or in Caen for a "Richard Morisson". One hit was located using WhitePages.com. for a "Richard J. Morisson." (See attached printouts).

6. I have attempted to contact "Richard J. Morisson" to determine if this is the same "Richard Morisson" who is an inventor of the subject application.
7. In this regard, I have called "Richard J. Morisson" several times (on or about July 24 through July 31, 2002) and have left voice messages indicating that an urgent reply was needed.
8. To date, I have not received any response from "Richard J. Morisson."

Subscribed this 7th day of August, 2002

James Kenworthy
